**Don't meet up!**

**Online games can be a great place for chatting to your friends. Always know who you are talking to. If an adult who you don't know ever asks you to meet up, say no and report it...**

## Accepting

Think before you accept something from someone online e.g. a file, a download, a picture etc. It may contain a virus. If you don't know who it's from, and it has an attachment... **DELETE IT!**

## Reliable

**Not everyone online is trustworthy. Somebody may be lying about their age and who they are. Make sure you know who you are talking to and use reputable sites and services to protect you and your computer.**

## **Tell**

**Tell a parent, carer or trusted adult if someone, or something makes you feel worried or uncomfortable online. Also, tell someone if a friend of yours needs help online too.**
