

Our Summer Term topic this half term is...

LONDON

In **English** we will be learning all about the adventures of Paddington!

Writing letters, stories, instructions and brochures all inspired by this extraordinary bear.

As **geographers** we will be learning all about the UK and our capital city, London. Asking 'What is London like? How is it different to Keyworth? Where in the world are London and Keyworth? What is transport like in both places? What jobs do people do? What do these places look like on a map?'

In **maths** we will be practising **reading scales and measures** as well as learning to **tell the time** and revisiting **calculation** of all four operations.

In **computing** we will be researchers and designers; collecting information about our capital city and using computer programmes to create our own maps.

In **RE** we will be asking why Jesus told stories and why these stories are still important to Christians today.

We will be focusing on athletics and games in **PE** sessions with Mr Sanders.

In DT we will be **making marmalade sandwiches** and experimenting with joining techniques to create structures of famous landmarks from around the world . **DT Day - Wednesday 6th June**
