Your		Year 5 Homework Checklist
ticklist		DUE: Wednesday 26th February 2020
	Topic	Pitmen Painters Photographers!  The pitmen used art in the same way many of us use photography. They used it to capture images of their daily life so that they and others who saw their paintings would understand what life was like for a pitman in the 1940s - 1960s.  Using either the examples of Pitmen Paintings I have printed for you, or others that you might find whilst researching "Pitmen paintings" yourself, please:  1) Take a photograph recreating (copying) the same scene in real life. Be creative – could you set this up in your living room? Do you need to venture outdoors with your grown up to take this photo?  2) Write a concluding paragraph below, explaining:  • Why did you choose to recreate this painting in particular?  • What did you have to do or prepare to take the photo?  • How happy are you with the comparison between your photo and the original painting?  • If you could have another go, what would you improve?
	Read Dia	TIOP IIP: use our readopoly podra to dive you ideas for what to read
	TTF	Practice and improve your times tables skills on Times Tables  Rockstars (or any way you chose!) at least three times this week

Len Robinson – "Spring Fever"

Norman Cornish – "Miners on the pit road"

Norman Cornish – "Pit road at night"

**Fred Laidler**Fish and Chips

## **Tom Lamb**

"Miners having lunch underground"

## **Harry Wilson**

"Christmas family gathering"
