STAND UP notts

YOUNG PRESENTER COMPETITION

Give your class opportunity to express their creativity...

We're looking for groups of 2-4 young people to star in our county-wide promotional videos, with other prizes also on offer.

To enter, groups of 2-4 children should simply make a video of no longer than 60 seconds, explaining why your school will be taking part in **SUN20**, and why everyone should be active. Schools can enter as many groups as they like.

Tweet us your video to
