

Friday 27th March 2020

To all our wonderful Crossdale and Keyworth Primary children,

In most fairy tales the characters in the book need to solve or overcome a problem. There is always a happy ending where things turn out better than before and lessons are learnt.

This is one of those times.

For hopefully a short time most of us will have to stay apart until things are made better and we can all come back together again.

I know that lots of you are worried about the bug that is making some people unwell. Our wonderful doctors, nurses and scientists are working really hard to make people better and to find a cure. The Government, the people who run our country, think that they can keep us safe and find a cure quicker if we stay apart for a while and stay at home with our families. So, we must listen, be brave and do what they say.

Your teachers have given you lots of work to do in your home learning packs and are adding to the website or blogging every week. Do what you can, work hard when the grown-ups ask you to and keep reading! Also, remember to keep talking to your family if you are worried.

Listen to your grown ups at home and remember to ask how they are too from time to time, be kind to each other and help out where you can!

Before you know it we'll be back at school, learning, playing, sharing stories and having fun together!

We miss you all very, very much!

Sending lots of love to you and your family, stay safe and be kind!

Mr Cresswell, and all of the staff from Keyworth Primary and Crossdale
