To all our wonderful Crossdale and Keyworth Primary children,

What a beautiful, sunny few days we have had! We hope you have enjoyed your Easter weekend and that you have all had chance to taste a little bit of chocolate… Put your hand up if you were visited by the Easter Bunny!!!

As time goes by, we know it can be trickier being at home and finding new things to do. So, we thought we would introduce you to Rob and Jamie. Some of you may recognise their pictures.

This is Rob Biddulph and he is a children's illustrator. Rob is currently creating 'draw with me' videos on YouTube every Tuesday and Thursday at 10am. We know we have lots of amazing artists in our schools, so why not have a go at drawing alongside him?

It is very important to plan times in our day to relax. This is where Jamie Amor (from Cosmic Kids) comes in. She puts together mindfulness, yoga and storytelling. Go to her YouTube channel and choose a yoga adventure to go on. There is anything from Minecraft to Frozen! Why not get your families involved too?! Can dad do downward dog? 😊

Finally, remember that your class blog has got lots of information about writing tasks, geography projects and NEW this week….an Art project! We miss you all so much but are proud of each of you for keeping up with your schoolwork the best you can, whilst being super little helpers at home too. Keep it up SUPERSTARS!

Sending lots of love to you and your family, stay safe and be kind!
