To all our wonderful Crossdale and Keyworth Primary children,

We hope that you are all well, enjoying some of the sunny weather and being good for your grownups at home.

We know that you have probably heard lots about 'coronavirus' or 'Covid19' – the virus that is making lots of people poorly. Click on this link to read an e-book all about this virus:

There are lots of things that have changed in the past few weeks and we know that you are probably missing your friends. This is a time that makes us all feel a bit wobbly, but you should know that lots of brilliant grown-ups are helping to try and sort this tricky problem. They are giving us some very clear guidance and working hard to help us. If we follow their advice, we will be helping to keep all of our family and friends safe.

Staying away from each other and our fantastic schools will not last forever. These are unusual times and one day, when all of this is over, you'll be able to talk about how our brilliant Crossdale and KPNS families overcame a huge challenge, and how we stuck together to help care for each other. You are all being fantastic Team Workers and Self Managers. Show how brave you are by talking to your grown-ups about anything that is worrying you. Show how wonderful you are by being positive and being kind to those around you, helping out where you can!

We are missing you all lots. Your teachers have given you lots of work to do and are adding to the website or blogging every week. Do what you can and work hard when the grown-ups ask you to. Remember that you can contact your class teacher by asking your grownup to email them at the class email account. Your teachers love seeing what you have been up to at home! We have also added some ideas to our newsletter this week about other things that you can do at home, so take a look at this with your grownups!

Sending lots of love to you and your family, stay safe and be kind!
