

Summer 2 Topic Overview—this term we have three mini-topics! **Maths** will be based on investigations and **English** will be linked into the mini-topics.

In science we will be learning about Plants and asking 'What do plants need to grow and survive?'

Knowledge & understanding:

- I can identify and name a variety of plants.
- I can find out and describe how plants need water, light and a suitable temperature for them to grow.
- I can observe and describe how seeds and bulbs grow into mature plants

Enrichment: role play and drama, planting work with Year 3, Forest School activities Curriculum Links: English: Jack and the Beanstalk, traditional tales with a twist. Art: William Morris tiles

Sports Week will

Monday 25th–Friday 29th June when we'll be doing some World Cup maths and learning about Wimbledon!

Monday: Athletics and Drumba

Tuesday: First Aid, SAQ and Handball

Wednesday: SPORTS DAY!

Thursday: Dance, tri Golf, Hockey, Fencing

In history we will be learning about Florence Nightingale And asking 'What can we learn from the past?'

Knowledge & understanding:

- I can learn about and ask questions about a significant person from the past.
- I can place significant events on a timeline.
- I can step back in time and describe historical events.
- I can talk about what we have learnt from history and how things have changed because of Florence Nightingale and her work.

Enrichment: role play and drama

Links: PSHE & Science; health and hygiene

DT DAY

Wednesday 6th June!
Please join us to create landmarks of London!
