

Friday 22nd May 2020

To all our wonderful Crossdale and Keyworth Primary children,

Now that we can spend as much time as we like exploring and exercising outside, lots of your teachers have loved having the chance to enjoy long walks in the sunshine; looking at all the beautiful flowers, listening to the birds and breathing in the fresh air.

The summer months are getting nearer, and we have a long weekend ahead of us, wouldn't it be wonderful to visit some of the stunning places we have close by? We wonder who has explored some of these little gems already?

Keyworth Meadow

Bunny Woods

West Leake Hills

Rushcliffe Country Park

We know how much you all like being outside and you especially love Forest School activities. When you go on your walks with your family there are lots of fun things you could do. Why don't you try some of these activities:

- Find and identify some of our British Trees.
- Create your own scavenger hunt list.
- Make a piece of artwork or perhaps a den.
- Close your eyes and listen to all the different sounds around you.

Have fun and lots of love to you and your family, stay safe and be kind!

Mr Cresswell, and all the staff from Crossdale and Keyworth Primary
