Dear Parents and Carers,

Welcome to our Crossdale News - we hope that you enjoy reading our newsletter!

If you aren't receiving notifications of blog entries, please check that you are subscribed to the blog page or speak to your child's class teacher; this is an important way to stay up-to-date with what your child might be doing in class as well as a way of us communicating important information to you.

Best Wishes,

Mr Cresswell and Miss Seedhouse

Well done to Base 2 and Y6 children

Our Base 2 and Year 6 children have recently returned from their residential visits. They enjoyed a range of activities, showing that they could use their 'keys to learning' to support them. Take a look at the blog to find out more about what they have been up to!

Sports Week

For Sports Week, children can wear any sensible sports kit on Monday, Tuesday, Thursday, and Friday. On Wednesday, our school Sports Day, we request that the children wear their PE kit.

The weather forecast is looking very positive! Please make sure that your child / children come to school with a hat and sun-cream and that they also have a water bottle with them so that they can keep hydrated throughout the day. At the end of each day, there will be ice-pops on sale.

Thank you to those parents who have offered us the use of their gazebo for next week. If anyone has a gazebo that they are happy

Keeping our children safe.

How do you decide when it's safe for your child to be home on their own? Take a look at the guidance on the NSPCC website:

Roll of Honour

Please contact the school office, preferably by email marked 'Roll of Honour', if you would like to share the achievements of your children with the rest of the school community.

We love to hear about what they have been doing outside of school!

You ask ... We answer

Parents often ask questions and we would like to be able to share with you what we have done in response to that!

You ask: Parking can be a nightmare on Crossdale Drive!

We answer: We would like to ask that if you have concerns over any parking, you pass the registration number of the car to the school office so that we can attempt to contact the drivers to discuss the concerns.
