

Super Sentence Writing Challenge

Say it, hear it, write it:

The big billy goat gruff went trip trap.

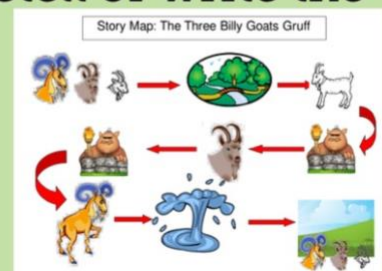

Can you write another sentence?

Extra Challenge

Could you make a 3 Billy Goat Gruff story map? You could use this to retell or write the story.

If your child is finding this tricky, you could write the sentence on a strip of paper, chop it up and get your child to put it in the correct order. They could then copy out the sentence.
