

This leaflet is designed to help you understand the measures in place to protect our children on returning to school from the 1st of June. It also contains important health, safety and security information for you whilst visiting our school site, as well as an update to our behaviour policy.

When will school be open?

Provided that the five key tests set by the government are met, Crossdale will be reopening to all staff, key worker children & pupils in EYFS, Y1 and Y6 from Monday 1st of June. To allow for staff training and to prepare the school site, there will be a staggered return for pupils in Y6, Y1 and EYFS.

-Monday 8th June: Y6 children return

- Tuesday 9th June: Y1 children return

- Thursday 11th June: EYFS children return

We plan to be open to children of keyworkers all school days of the week, as is our current provision.

For all pupils in EYFS, Year One and Year Six we will be open on Mondays, Tuesday, Thursdays and Fridays. School will be closed to these groups on a Wednesday to allow for cleaning and for planning and preparation of resources for pupils in school and at home.

Learning will be planned by their usual class teacher and will consist of many of the normal lessons the children will be familiar with. Pupil wellbeing will feature heavily in our lessons as well as using the outdoors.

Behaviour Policy Update

In line with the guidance offered by the DFE, we have updated our Behaviour Policy to include 'Rainbow Rules for Staying Safe' Please talk to your children about these rules before they come back to school.

As always, please try to walk or bike to school where you can.

Please be aware that this is a provisional plan approved by governors, but in this ever changing climate there may well be alternations.

This leaflet is a quick guide for parents containing key information. Further details and government guidance has been included in the parent updates on the school website: <https://www.crossdaleschool.com/news/?pid=3&nid=1>
If you have any questions, please contact one of the SLT on contact@crossdale.notts.sch.uk

Potential reopening of school
June 2020

An information leaflet for
parents v2

What will the school day look like?

The timings of the school day will be staggered to reduce the volume of people on the school site at any one time. See below:

	Entrance	Drop Off	Pick up
EYFS Hedgehog	The Hive	9:10am	3pm
EYFS Tortoise Bubble	Reception Classroom	9:20am	3:10pm
Y1	Normal Entrance	9:15am	3:15pm
Y6 Bubble A	Year 6 normal entrance	8:50am	3:20pm
Y6 Bubble B	Year 5 back entrance	9:00am	3:30pm
Critical workers Y2/3/4/5	Y3/4 Entrance	9:00am	3:30pm

As usual a Mr Cresswell, Miss Seedhouse or Mrs Westie will be on the gate at pick up and drop off times.

- The children will be kept in their class bubbles as far as possible, in an environment they are familiar with.
- There will be no more than 15 children in each bubble with at least one member of school staff.
- The children will eat lunch in their allocated classrooms have designated outdoor zones to play in.

What does my child need to bring?

We are asking the children to bring in only essential items:

- Lunchbox and water bottle (which will be kept on their desk).
- A coat, only if needed.
- Hat and sun cream which will go in their tray.
- Their reading book (in their hand) - this will be handed in on arrival and a new one given ready for home time later that day.
- **NO** book bags, rucksacks or toys please!
- A pair of trainers.

Children should wear school uniform. **Current advice is to wash these clothes each evening.**

PE kit will not be required.

Hand sanitiser can be brought in to 'hanitise'. It must be kept in the child's tray and only used when directed so it can be supervised by an adult.

School Dinners

These will stay as normal. Children who are entitled to a free school meal will receive this and parents who would like to order a hot dinner for their child should do so following the usual procedures. Children will eat in their classrooms with an allocated Midday Supervisor.

First Aid

In the event of an accident, the usual procedures will be followed. However, staff administering first aid will be wearing PPE in the form of gloves and aprons (and in some cases masks).

Health and Safety

Here are **some** of the measures we have put in place to reduce the risk of spreading the virus:

- Signage and tape on the school site for guidance on social distancing.
- Only one person to collect your child/children from the school site and no parents permitted inside the school building.
- Children will be explicitly taught how to stay safer using the 'Rainbow Rules'.
- Children work in bubbles of no more than 15.
- Movement around school is limited, and use of 'Be safe' black and yellow tape is being used where appropriate.
- Children will go to the toilet one at a time.
- Indoor and outdoor areas and equipment have been zoned.
- Regular handwashing is planned into the school day; on arrival, before and after playtimes and before and after eating as well as before going home.
- Cleaning will take place regularly and in line with government guidance.

What happens if my child is poorly?

If your child becomes unwell with non-covid related symptoms then the normal school procedures apply.

If a child displays symptoms of coronavirus whilst in school they will be taken to a safe space and isolated from other pupils, and parents will be called immediately. The child will be sent home with advice on how to access testing and directed to the government stay at home guidance. All pupils in that bubble will be notified.

If the case is confirmed through testing all children and adults in that bubble should isolate for 14 days and the room and equipment will be deep cleaned.
