- As wb 6th July will be Y6's last week in school, we will make sure it is a special 'Leaver's Week'.
- If you choose to send your child to school, we expect pupils to attend on all available days.
- If you are a keyworker, and the changes above reduce the amount of time your child is in school, you will still be able to book keyworker provision each week.
- Keyworker provision will continue as it currently is, but children will join their classes in line with the table above.
