

Home Learning Mat – Year Six – Week Beginning 13/07/20

Remember that English, maths and wellbeing skills should take priority but also just **do what you can and stay safe!** - Email: cedar-teachers@crossdale.notts.sch.uk (all links clickable on blog)

Hi Y6,

I hope you are all well.

Thank you so much for your very kind gifts, your magnificent card - and well done for an amazing Leavers' Assembly.

We will all miss you very much; please do keep in touch and remember to be amazing!

If you have any problems with any of the work on this sheet, please get in touch:

cedar-teachers@crossdale.notts.sch.uk

Maths

- Use the White Rose Maths (WRM) **Wk12** lessons (on [Crossdale maths blog](#)) (3d shapes, circles, pie charts and mean)
- Complete **at least 3** MyMaths lessons- including lessons topics above
- Do some Doodlemaths every day
- Use TTRS (or printed booklets) to improve times tables. (Email / ask if you need booklets.)

PE

Complete 3 workouts - you could:

- Bike ride / scooter
- Run/walk
- [P.E with Joe \(You Tube\)](#)
- [Cosmic Kids Yoga \(You Tube\)](#)
- [Dance with Oti \(You Tube\)](#)
- Skip
- Make up a throwing and catching game
- Use the Rising Stars football coaching videos for primary children - up to Y6! (Link on blog)

Reading

- **Read every day for at least 15 minutes.** This can be a combination of you reading alone and listening to or sharing books with others.
- Use Reading Eggs at least twice this week.
- Complete Reading Eggs comprehension assignments
- Complete Oak Academy Genre Focus: Story - [Wk11 Lesson 1](#) (Comparison) & [Lesson 2](#) (Prediction)
- **To listen to/read stories, go to:**
 - Oxford Owl's Free e-book library -<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>
 - Audible's free children's books -<https://stories.audible.com/discovery>

Writing

(NB: Do the reading lessons (Lesson 1&2) first.)

- Use the Oak National Academy's Wk10 lesson - [identifying the key features](#)
- Use the Oak National Academy's lesson - [planning a story](#)
- Use the Oak National Academy's lesson - [writing a story](#)

Art

- The Oak National Academy has an [art lesson](#) based on collage and the work of Henri Matisse.
- Try these YouTube tutorials on drawing 3-d lettering.
 - [Tutorial 1](#) (basic)
 - [Tutorial 2](#) (more advanced)

Geography

The Oak National Academy has some excellent lessons exploring population.

Try to do two of these.

- [Where are all the people?](#)
- [Why does population change?](#)

Wellbeing

- In school: transition activities
- At home: Have a look at the Wellbeing Blog on the school website and choose an activity. Ask your grown-ups to email cedar-teachers@crossdale.notts.sch.uk to say which one you have done.

Transition

Watch some of the videos on the South Wolds website: <https://www.southwolds.co.uk/page/?title=Transition&pid=32> Even if you aren't going to SW, these might still be useful!

There are also some activities on the [Becket website](#).
