## Good Luck to the children moving on from Crossdale

Today we say goodbye to our fabulous Year 6 children, as they leave ready to start at their secondary school in September. They have been a pleasure to work with and we all wish them the very best as they start a new adventure!

We also say goodbye to Emily (R), Oliver (Y2) and Charlie H (Y2) who will be moving to new schools in September. You have all been fabulous pupils at Crossdale and we wish you the very best of luck at your new school – we know that you'll soon be settled and making new friends.

## Update for Jupiter

As you are aware, Jupiter has been off school as he has been unwell. He had been in hospital but we are pleased to let you know that was recently discharged, as he had stabilised enough to continue his recovery at home.

As Jupiter isn't yet well enough to return to school, he is having some lessons at home each week. Once Jupiter is ready to return to school, he will, but unfortunately he won't be coming back to join us

## What a year!

A letter went out to parents earlier this week highlighting all of the fantastic things that have been happening at Crossdale over the last year. If you haven't had the chance to read this yet, please take a look on the website, in the latest news section.

## Mrs. Ingle ... 30 years!

Over the last few weeks we have been celebrating with Mrs Ingle as she has completed her 30<sup>th</sup> year teaching at Crossdale! We asked the children to make a fingerprint mark on a bowl which has been beautifully crafted into woodland birds and creatures. Mrs Ingle is an amazing teacher and we are very lucky to have her as part of our Crossdale Team.

## School Dinners

From September, school dinners will be increasing to £2.35. This is inline with Nottinghamshire County Council guidelines.

## Wishing you a very happy summer break

We would like to take this opportunity to thank you for your continued support and to wish you all a very happy summer break. We look forward to starting the autumn term with the children on Wednesday 5<sup>th</sup> September.

## Keeping our children safe.

What are the four phases of childhood sexual development? Take a look at the NSPCC website for more information:
