

Have a look through some photos of you as a baby, maybe your brothers and sisters, your aunts and your uncles, parents and grandparents. Can you describe the babies in the pictures and what they can do?

Wonderful Me

Please send this homework in by Friday 9th October. This work really enhances our Wonderful Me topic and allows the children to talk to you in depth about themselves and their family.

Your child might like to draw, write or create a presentation video to share their homework.

Please send in to the class email address. We are looking forward to receiving this work.

Create a fact file about yourself telling us key information.

Look at the shoe sizes of people in your house. Who has the biggest/smallest? Who is the tallest/shortest? What other data and facts can you tell us about people in your family? How are you the same or different?

With the help of your grown up, draw your family tree.

Create a large drawing of yourself and label all your super qualities.
