

Harvest 2020

Today we held a virtual assembly to talk about Harvest celebrations. In previous years, as part of our Harvest collection, we have collected food items to donate to the Clifton foodbank.

The Clifton foodbank is part of The Trussell Trust's network of 428 foodbanks, working to tackle food poverty and hunger in our local communities, as well as across the UK.

Because of the Coronavirus Pandemic, more people than ever need support. A simple box of food makes a big difference, with foodbanks helping prevent crime, housing loss, family breakdown and mental health problems.

This year, we want to continue to support the Clifton Food bank as they can provide food to families in our local community. However, the way in which we do this will be different.

Unfortunately, we won't be collecting food items in school. Instead, we ask that if you go to a supermarket and see a food donation point, you may be able to leave some items there: <https://cliftonng11.foodbank.org.uk/give-help/donate-food/>

Or alternatively, maybe you would be able to make an online donation to the food bank: <https://hopechurchnottingham.churchsuite.co.uk/donate/>

Your support is greatly appreciated.
