

Create your own flag.

What will it show?
How will it represent your country?

Create a message in a bottle. What will you say? Can you describe what it is like where you are? Where are you to be rescued? Think about seas / country / continent.

*Our Spring Topic in Y1 & 2 is
St Lucia.*

*Choose one of these homework projects to complete by 8th February.
Please send pictures into SeeSaw.*

Use an atlas or a world map to locate some places you have visited. Can you find which seas or oceans surround those places?
What about the capital city, flag, fascinating facts and continent?

Design a page for St Lucia similar to one you might find in a travel brochure.
Why should people visit there?

Weave a basket.

Pop to the shops, get in the kitchen and cook up a storm by making a Caribbean dish. Can you write your recipe for someone else?

Write a post card, pretending you are on holiday in St Lucia. Find out how to write an address correctly and ensure you know what yours is!

The Caribbean Islands are home to some of the world's volcanoes. Can you create a model volcano and make it 'explode'?
