

Dear Parents and Carers,

Welcome to our Crossdale News - we hope that you enjoy reading our newsletter!

Each class has a blog page where information for your child's class will be shared; please ensure you subscribe to this by clicking the link at the top of the page. If you aren't receiving notifications of blog entries, please check that you are subscribed to the blog page or speak to your child's class teacher; this is an important way to stay up-to-date with what your child might be doing in class as well as a way of us communicating important information to you.

Best Wishes,

Mr. Cresswell, Mrs. Westie & Miss Seedhouse

Reopening to all pupils

It has been wonderful to have all pupils back in school for the last 2 weeks! The children have quickly settled back into school routines and have been working hard, as well as very much enjoying their playtimes with their class-mates. Our 'Rainbow Rules' remain in place and teachers are discussing these with the children regularly.

Red Nose Day – Friday 12th March 2021

Thank you to everyone for your efforts and support today with 'Red Nose Day'. The children looked great wearing something red and your generous donations meant that we have raised a total of £237.16. A huge thank you!

Drop off and Pick ups

We have noticed over the last couple of weeks that some parents / carers are remaining on the playground after the children have been dismissed. Please could all parents / carers ensure that as soon as your child is with you, you leave the school grounds. This helps to ensure that minimal contacts

are being made within our school community and also helps to make sure that the playgrounds don't become congested.

Some children have also been playing on the trim-trail located near the Base 2 classrooms. Please could we ask that you do not allow your children to play on this equipment before or after school. The equipment isn't supervised by members of staff to ensure children's safety and cleaning rotas are also compromised if the equipment is used by the children outside of allocated slots.

Please name school uniform!

A big plea from us Please could you ensure that all uniform, but especially coats, fleeces and jumpers, are clearly named. It his nearly impossible to reunite lost uniform with the correct owner if it isn't named! Thank you in advance for your support with this.

Mobile Phones for Year 6

To help ensure safety, any children who bring a mobile phone into school need to take it to the school office first thing in the morning, ahead of going onto the playground and into school. They can then collect it from the office at the end of the school day.

PTA Easter Activities

The PTA have 2 Easter Activities running which you hopefully received information about this week via email. These activities support fundraising which goes directly to help your child / children in school, and so any support for these events is very much appreciated!
