

Topic Question

Minibeasts have spots? This half term we are learning about

different focus book
on to a daily
activity as well as
the children's own

Minibeasts
Hungry Caterpillar
Spotted Ladybird
Spider

Bumblebee

the children will be able to introduce a few that we intend to introduce to the children this half term.

Mathematics

This half term we will be learning about doubling, sharing, grouping and odds and even numbers.

Physical Development

Mr Pharoah will continue to deliver fantastic PE sessions twice a week. We are also looking forward to Sports week which starts next week on 14th June (see the blog for details)

Communication and Language

We will be focusing on talk partners and reading partners to develop our speaking and listening skills.

Expressive Arts and Design

This half term we will be looking at patterns and textures in our artwork and modelling.

Understanding the World

We will be learning all about insects and minibeasts - Types of minibeasts, habitats and lifecycles.

explore stories using the Tales Toolkit.

We will be starting twice daily groups to teach phonics and introduce storybook reading sessions

Personal, Social and Emotional Development

Part of our work will be about transition to Year 1- what's the same and what's different and having visits to make this as smooth as possible. In addition, Mrs Neale will be coming in to deliver some class Nurture sessions.
