

Castles Homework

Year 1 & 2

We'd like your child to complete at least one of these activities during this term. The deadline for this is after October half term but it can be returned at any point beforehand as well. We have tried to include many different activities to try to engage your child's imagination and learning style with a view to better understanding our topic. We hope you enjoy this together.

Create a true/false quiz about castles.

Write your own castle story/diary entry pretending to be a knight.

Write a letter to the Queen telling her what you have learnt about castles.

Create your own castle model. Can you label the different parts?

Visit a castle and tell the class about what it was like.

Make a fact file about the royal family. What have you found out?

Find and record 3 facts about a famous King or Queen.

Find out about different castles in the UK and write about the history of one.
