

Year 5 Curriculum Map - Autumn 2018

English

- Poetry
- Instruction writing
- Biography
- Adventure/mystery stories
- Play script

We aim to help the children to develop their

skills in handwriting, spelling, composition, punctuation and grammar.

With reading sessions, we will also aim to develop the children's skills (i.e. fact retrieval, inferring), and stimulate their imaginations, encouraging a love for reading.

Maths

- Place value
- Negative numbers
- Written and mental calculations using all four operations (x, ÷, +, -)
- Number facts (focused on times tables)

• Checking strategies

• Becoming an independent learner

We aim to improve our reasoning skills, to prove how and why we know something is correct or incorrect. We can then apply these skills to problem solving.
