

1<sup>st</sup> November 2021

Dear parent/carer,

We are planning a morning trip to Keyworth War Memorial and Keyworth Church on **Wednesday 10<sup>th</sup> November**. This is linked to our current topic which focuses on Keyworth and the Great War. This will be a great opportunity for the children to learn about those from our local area who fought in World War 1 and will allow them to learn about how the war impacted life in Keyworth.

We will be leaving school at 9:15am (after registration) and returning in time for lunch. Please ensure that your child comes to school in their **school uniform** as normal and is prepared with:

- A rucksack
- A warm coat with a hood (in case it rains!) and maybe a hat, scarf and gloves
- A water bottle
- Optional- a snack

Please ensure that your child has their Forest Schools kit in school as I will be getting children to wear trainers on the trip. Please also check the weather forecast prior to the trip so you can prepare your child appropriately for cold/wet weather.

If there are any parents/carers who would be willing to help on this trip, then that would be greatly appreciated! Please drop me an email at [apple-teachers@crossdale.notts.sch.uk](mailto:apple-teachers@crossdale.notts.sch.uk) if you would like to help out.

Feel free to email me if you have any questions.

Thank you,

Miss Spencer
