

Tribal Tales

Homework – Spring 2

Write your own prehistoric adventure story. Will you set it in the Stone Age, Bronze Age or Iron Age? Make sure your story reflects the time in which it is set.

We know about prehistoric life from artefacts that have been found, such as food, coins, tools and jewellery. What might historians of the future find out about you from your everyday belongings? Write a newspaper report about a find 1000 years in the future.

Make a photo montage of prehistoric monuments. You can search for the best images online and download them to a PowerPoint slide or Word document.

Find out more about rock art – human-made markings placed on natural stone. Draw your own or a friend's pet in the style of a prehistoric cave painting.

Iron Age people started growing crops such as spelt wheat, barley, rye and oats. Can you find these foods in your local shops? Can you find out where these crops are grown now? List your findings in a table.

Make a 3-D model of a Bronze Age settlement, making sure it is historically accurate.
