

Writing:

Write a message in a bottle.
Who will it be to and
what will your message
say?

Science:

Investigate why we get
tides. Can you present your
information to explain this
to others?

Geography:

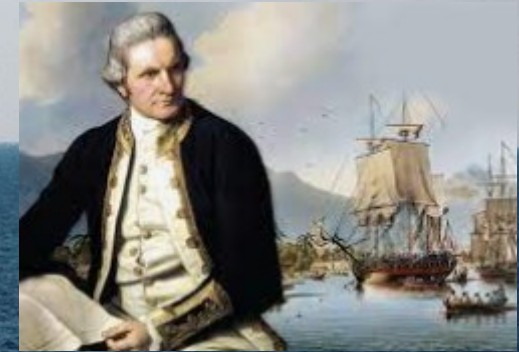

Show on a map the
places that you have
visited. What are those
places like?

Captain Cook

Where did Captain Cook go?

Y1 and Y2 Summer 2 Homework.

Creative:

Make a model boat. What
materials would you use to
make it waterproof and an
you explain why boats
float?

History:

Find out about who the
monarch was when
Capitan Cook made his
voyage. Present this
information to us.

Art

Find out about artists like
Turner who created sea-
scapes. Can you create your
own with different shades
and tones to represent the
sea?
