

Use construction to make buildings of places you like to visit—or create a model of your bedroom to show.

Sketch a picture of yourself including as much detail as you can.

Take some pictures of people in your family and learn how to use the camera to do some clever tricks with the photos.

Write a fact file to tell us all about you.

How are humans wonderful?

This is your first topic homework in Y1, which links into our humans topic (about the human body and about senses) in science. We will have a new topic homework each half term which you will need to complete. Choose at least one of these activities and then upload it to SeeSaw. You can also send it back in using your Y1 Homework Book.

To be completed by: Friday 8th October.

Find out about a famous artist who represents people.

Can you do some artwork in that

artist's style?

Make your own feely box with different textures that you can find. Can you write labels to describe each one?

Create a perfect menu for you—what are your favourite foods, tastes and dishes?

Bake a healthy dish. What makes it healthy?
