

# Scrumdiddlyumtious!

## Topic Homework—Autumn 1

**Write a review about your favourite meal. This can be either a meal you have had at home or a meal you have had at a restaurant. Use some really good adjectives to describe just how good it is – what does it look like? What does it taste like?**

**Look at five different food items in your house and make a note of the nutritional values e.g. How many calories? How many grams of sugar? Etc. Can you present them showing the most healthy and least healthy?**

**Create your own cupcake design. This can be either 3D or 2D, but it must stand out from the crowd!!**

**Write an imaginative story which starts with, “You’re not going to eat me, are you?” said the...**

**Write a shopping list for your family’s typical week of shopping and work out the cost of it all. Can you include the total week cost? The daily cost? What each individual meal costs?**

**Research online and use a map to help you plot the route of chocolate to your cupboards!**
