THE SURPRISE GIFT ROOM – WE NEED YOUR HELP!

For our Surprise Gift Room to work, we need your help. In exchange for the non-uniform day on **Friday 26 October**, we would ask your child to donate any unwanted (unwrapped) gifts which you have lying around. Gifts could be suitable for Mums, Dads, Grandparents or any age. Some examples might include, smellies, chocolates, picture frames, jewellery or books. Please don't forget gift donations for Dads too (we realise that these can be tricky), chocolates, socks, smellies, keyrings, mugs, small gadgets or anything you can imagine. Please avoid glass, breakable objects or alcohol products. A massive thank you.

Any questions, please direct to Becky Thompson.

What is the Surprise Gift Room?

The Surprise Gift Room is a 'children only' room at this year's Christmas fair where children can buy surprise gifts for any of their family and friends for a low price (most gifts are 50p, £1 or £2).

Inside the room, we will help them choose, wrap and label the gift, meaning that they get to keep the gift entirely secret to give to their chosen person on Christmas Day!!!!
