Midday Supervisor Role

Are you a good team worker? Do you enjoy working with children? Do you have some time you could offer over the school lunch hour?

We are looking for someone to join our midday team, working for an hour and 15 minutes over the school lunch hour, on Thursday and Fridays.

Duties will include helping to set up for lunch time, supporting the children during lunch, tidying away after lunch and supervising children outside for playtime.

If you are interested in this role and would like more information, please contact our school office on 0115 974 8088.

Be Internet Legends

Our Key Stage two children enjoyed an assembly today, themed 'Internet Legends'. This was delivered by a team from Parent Zone and Google and delivered important messages to the children about keeping safe on the internet. More information can be found on our school website on the safeguarding blog.

If you google 'Be internet legends', you can access the world that the children found out about in the assembly; we're sure your child(ren) will be happy to show you around!

Keeping our children safe.

Musical.ly has a new name – TikTok. The app now has some new features, including live streaming. Although the app has an age limit of 13 years old, we know that children younger than this are using it. Profiles on TikTok are automatically set to public, so that any content posted can be seen by anyone with the app.
