

# Topic Homework, Summer 2

Please share at least 4 with your class teacher at 'Show and Tell' Mondays by 17th July

Keep a tally of the vehicles that travel on your road during a set time. Can you create a graph to show your findings?

What is it like where we live?

Create a piece of artwork which shows a special place for you in the village we live in.

Make notes of the things you see on a journey around the area we live in. Can you use this to create a poem about your journey?

Talk to someone who has lived in the village a long time. Can they tell you 3 things about how it has changed?

Go for a walk or bike ride around the village. Count how many shops there are and say what they are used for.

Learn how to write your full address and use this to write a letter to someone who lives far away.
