

Animals, including humans: What makes me wonderful?

Vocabulary	Definition
senses	There are 5 senses: sight, touch, smell, hearing, and taste.
sight	Your eyes let you see.
touch	Your skin gives you the sense of touch.
smell	You smell using your nose.
hearing	Your ears let you listen to all the things around you.
taste	Your sense of taste comes from your tongue.
diet	The food we eat.
healthy	Choosing a good balance of food, exercise and hygiene.
hygiene	Keeping clean through washing our bodies.
unique	Being the only one of your kind.

What are the names of the 5 senses?

What makes me wonderful?

I am unique, I am special and my body is wonderful.

Can I label the human body?

How can I keep healthy?

The things we eat (diet), the exercise we do and keeping clean help us to keep healthy.
