| 28th June 1914	24th – 25th December 1914	1st July-18th November 1916	11th November 1918	1919
Archduke Franz Ferdinand is assassinated	Christmas Truce- all fighting stopped for a day	Battle of the Somme	Armistice is signed which ends the war	Treaty of Versailles is signed – first Remembrance Day

How and why did WWI start?

On 28 June 1914, Archduke Franz Ferdinand, the heir to the throne of Austria-Hungary, was killed by a Serbian man.

Austria-Hungary declared war on Serbia.

Other countries became involved due to alliances and agreements to protect each other.

War Memorials

Keyworth War Memorial contains names of soldiers from Keyworth.

People can pay their respects.

We can learn how the war impacted our community.

How did life change in Keyworth?

Most men were conscripted.

Women and men who weren't conscripted took over as farmers, factory workers, shopkeepers and office workers.

Jobs on the home front were vital for the war effort.

Trench warfare, weapons and technology

Much of WWI was fought using trench warfare.

Developments in weapons and technology changed how people fought:

- Planes
- Battleships
- Submarines
- Machine guns

BRITONS
