

Year 2 Homework Page

Animals: Including Humans -

please try to complete at least 2 tasks by the end of Spring and bring these into school for 'show and tell'.

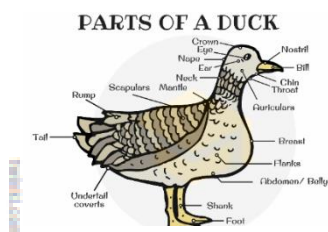

Draw and label the life cycle for any animal of your choosing - you may need to do a little research!

In a fun and creative way, produce an animal fact file for any animal of your choosing - you may need to do a little research!

Design a cool and funky shelter for any animal of your choosing - think about it's basic needs to survive.

Make an adoption poster for an animal and explain the care and support it needs for it to be looked after properly and why you should adopt.

Carry out an observation of an animal and label the parts of its body.
