

Spring One Term Year 6

English

Portal stories: we will be learning all about how to write an effective portal story, where our characters get transported into another setting! We will also be practising the technique of using dialogue to advance the plot, along with our ongoing SPAG revision and practice.

We are reading...

The Call of the Wild by Jack London

Maths

We are continuing with the White Rose Maths scheme and will cover the following topics:

- Ratio
- Proportion
- Decimals
- Algebra

Ongoing fluency and reasoning.

Science

Light

- What is light?
- How does light travel from one place to another?
- Properties of light.

Scientific enquiry skills:

- Exploring variables
- Making predictions and setting hypotheses
- Give simple explanations

Art

Painting: watercolour & acrylic paintings inspired by 19th & 20th century masters (Damien Hurst)

Geography

Theme: Frozen Kingdoms

- Latitude and longitude
