PIRATE DAY

at Beaumanor Hall

CORAL SEA

Core Activities

During your visit the following activities form the basis of the day's programme. Utilising the pirate theme, we aim to enrich the maths, literacy and history aspects of the curriculum.

The activities are differentiated to suit the age of your children.

Physical Pirate Challenge

- Test your aim with our cannonball throwing game
- How good is your memory when finding our pirate matching pairs
- Can you balance along our 'grog' relay course?

Treasure Hunt

A highlight of the day; this activity involves treasure maps, pirate facts, songs and a visit to our secret pirate cavern!

Perplexing Pirate Problems

Children go on a maths trail, finding and solving the pirate-themed problems along the way.

We have a severe weather programme ready, but would expect to carry on unless the weather creates a safety risk
