

Summer 2 Term- Year 5

English

Clock Close-Portal Story.
Toolkit:
Settings.

We will be learning a text called Clock Close and will look at the tools used to create a good setting description throughout the story.

We are reading...

Mary Lennox, a sickly ten-year-old girl, adrift in the world after both her mother and father die is sent to Yorkshire to live with an uncle whom she has never met, at his isolated house, Misselthwaite Manor. She dislikes her new home and the people living in it. In exploring the grounds Mary finds the key to the locked garden which is neglected and overrun with weeds. She sets her mind to bringing it back to life. In doing so, Mary finds a purpose and an excitement in her lonely existence.

Maths

Using White Rose maths to develop our fluency and reasoning skills. This half-term, we will be covering:

- Decimals
- Negative numbers
- Converting units
- Volume

Science

Plants

How do plants reproduce?

Learning about the different ways plants reproduce and dissecting a flower/plant to identify reproductive parts.

Geography

From Farm to Fork

Where does our food come from and go to?

Exploring different farming practices in different continents, as well as farming practices in the UK.

Field work to identify similarities and differences between large- and small-scale farming.

Art and DT

Drawing- Guiseppe Archimboldo

Still life vegetables

Food Technology

How can we chop, peel, grate or slice ingredients and adapt recipes to prepare a soup safely and hygienically?

RE

Expressing Faith through the Arts

Learning about different faiths use art forms to express themselves and pray to God.

Base Assemblies

Discussing philosophical theories that different religions have about the universe.

Music

Kisne Banaaya

Focus: composition

Jigsaw

Changing Me
