

Year 1: Seaside Holidays Homework—Summer 1 2025

Please choose an activity to complete and bring in your finished piece to you teacher by 23rd May. Please also make sure to bring in a photo of yourself at the beach, if you have one. This can be emailed to your class teacher if you don't have a physical copy.

Research and design Victorian suitable costumes/outfit to wear to the seaside.

Using a map of the UK (or maybe the world, depending on where you have been), find and mark seascides that you have been to.

Create a survey from friends and family about what their favourite ice cream is. You could present this as a block diagram, pictogram or tally chart.

Create your own seaside poem, sharing things you love about visiting.

Why do we have tides? Can you find out about this?

You might have sand at home or you could do this at the park: Build a sandcastle and create your own flag.

Find out about animals that live in the water. Create a fact file.

Talk to your parents and grown ups about their seaside holidays. Can they find some photos to talk to you about their experiences?

How joy it is to be at the seaside!
