Science

Animals, including humans

Seasonal changes – What are the four seasons and what are they like?

- How are shadows formed
- What are the different types of weather?

Science Week

Geography

My Island Home

How does St Lucia compare to the UK?

- What are the 7 continents and 5 oceans of the world? Where are they?
- What are the four countries and capital cities of the UK?
- How do you use a map? What are the compass points?
- What are the physical and human features of St Lucia and the UK?
- What is the weather like?

RE

Easter: Learning about the Easter story and how Christians celebrate this festival.

What happened to Jesus on Palm Sunday? What do Christians do on Palm Sunday now and why? What happened at Easter? What feelings are associated with this? What happens in churches at Easter?

Music

Football – focus: beat

Listening to and following the beat with football chants.
