dialogue.

Thrilling adventure set in the underbelly of the Tower of London and on the Thames in Tudor times Moss hates her life. As the daughter of the Executioner in the Tower of London, it's her job to catch the heads in her basket after her father has chopped them off. She dreams of leaving, but they are prisoners with no way out. Then Moss discovers a hidden tunnel that takes her to freedom, where she learns that her life isn't what she believes it to be and she doesn't know who to trust. Her search for the truth takes her on a journey along the great River Thames. Could the answers lie deep in its murky depths?

Maths

We follow the White Rose Maths Scheme and will cover the following topics:

Statistics
Shape
Position and Direction

Science

How do forces affect us?

Continuing with our forces topic and exploring water resistance and gears, levers and pulleys.

History

How has crime and punishment changed since the Tudor times?

We will learn about Henry VIII, his six wives, crime and punishment during the Tudor period and will discuss whether Anne Boleyn was guilty or not.

Art

Hans Holbein

Miniature portraits in the style of Hans Holbein using acrylic paint and watercolour.

RE

Expressing Faith Through the Arts

Exploring how different faiths use art and music to worship.

Forest Schools

Weekly lessons with Mrs Deegan.

Please ensure Forest Schools kits are in school for Thursdays!

Spanish

En la cafetería (At the Café)

By the end of this unit, pupils will have the knowledge and skills necessary to perform a short role-play in a Spanish cafeteria.

PE

Lessons 2x per week with Mr Pharaoh.

Tennis: pupils develop their competencies in racket skills when playing Tennis. They learn specific skills such as a forehand, backhand, volley and underarm serve.

Football: developing further knowledge of the principles and tactics of each. Pupils will begin to develop consistency and control in dribbling, passing and receiving a ball. They will also learn the basics of goalkeeping

PSHCE

Relationships

Discussing our relationship with ourselves, how to solve friendship problems when they occur and how to respect others.

Computing

iVideoEditor

Children will explore the fundamentals of film making including storyboarding, filming and video editing. They work together to plan record and use software to enhance video using effects sounds and transitions.
