

## Fire Damp and Davy Lamp topic homework- Autumn 1

Research and create a poster about different inventions during the Industrial Revolution.

Who invented them?

How did they make people's lives easier?

Carry out some research about a coal mine in Nottinghamshire.

You may even want to take a visit to where the mine was before it closed!

Where is the coal mine located?

What can you find out about the coal mine?

When did it open?

When did it close?

Write a diary entry from the perspective of a coal miner from the Victorian times.

What is your job in the mines?

What time did you start work today?

How long did you work for?

What are the conditions like?

Create your own mine cart!

You could make it out of Lego, on Minecraft, or use bits and bobs in your house!
