

Amazing Animals Homework

Year 1

We'd like your child to complete at least one of these activities during this half term. We have tried to include many different activities to try to engage your child's imagination and learning style with a view to better understanding our topic. We hope you enjoy this together.

Can you make a hedgehog hotel?

Can you design a zoo? What animals would you have there?

Make a fact file about your favourite animal.

Create a documentary about your favourite animal or habitat,

Can you write a list of adults and their offspring?
Can you draw an animal life cycle?

Create a poster showing the things animals need to survive.
