

Spring One- Year 5

English

We will be following the Talk for Writing approach and learning to create suspense in a tale of fear. We will be learning and using the model text 'Zelda Claw and The Rain Cat'.

We are reading...

Cosmic by Frank Cottrell Boyce

Liam is too big for his boots. And his football strip. And his school blazer. But being super-sized height-wise has its advantages: he's the only eleven-year-old to ever ride the G-force-defying Cosmic rollercoaster – or to be offered the chance to drive a Porsche. Long-legged Liam makes a giant leap for boy-kind by competing with a group of adults for the chance to go into space. Is Liam the best boy for the job? Sometimes being big isn't all about being a grown-up.

Maths

Developing our fluency and reasoning and problem-solving skills using White Rose Maths.

- Fractions
- Multiplication and division

Science

What is in our Solar System?

Learning about the planets, how they orbit the sun, why we get day and night and theories of the solar system.

Geography

Biomes

Where are the world's major biomes and what impacts on them?

RE

RE- Muslim Families and Beliefs

DT

Mechanisms

How can we use cams to make a children's space toy?

Spanish

Do you have a pet?

By the end of this unit pupils will have the knowledge and skills to present both orally and in written form about the pets they have and/or do not have in Spanish. They will move from 1st person singular to 3rd person singular verb usage so they are able to say what the pet is called and use conjunctions more confidently.

Music

Madina Tun Nabi

Focus: improvisation

Children will learn a catchy modern Nasheed (Islamic song) with a chorus in two parts. Pupils will learn to sing the song, develop their own accompaniment with a drone, chords, and improvisation, and play together with a percussion backing track. On the way, they will be developing their 'ear' with lots of echo singing and playing by ear. They'll find out about the type of song called a Nasheed and its connection with the Islamic faith.

PSHEE

Dreams and Goals

Weekly sessions using JIGSAW.

Computing

Lessons using iCompute:

iWeb- Children will explore how the World Wide Web allows people to connect, work together and share information. This includes working with the basic components of website programming HTML and how webpages are constructed.

iStaySafe- discussing how we can be safe online.

PE

Swimming

Netball

In this unit pupils will develop defending and attacking play during even-sided 5-a-side netball.

Handball

Pupils will develop key skills of attacking and defending such as throwing, catching, dribbling, intercepting, and shooting.
