

Solar System homework

Choose one to complete ready for our topic homework showcase afternoon at the end of this half-term!

Planet Fact Poster

Choose a planet and create a colourful poster with key facts (size, distance from the Sun, number of moons, interesting features).

Space Poem

Write a poem about the wonders of the solar system (could be acrostic or rhyming).

Solar System Model

Build a 3D model using household items (e.g., balls, cardboard, string).

Planet Travel Brochure

Design a travel brochure for a planet of your choice! Include exciting attractions, things to pack, and warnings about the environment.

Moon Phases Diary

Observe the moon for a week and record its shape each night.
