

Spring Two-Year 5

English

We are reading...

The Secrets of a Sun King

A discovery from ancient Egypt . . .

A cursed package . . .

The untold story of a young pharaoh . . .

When Lilian Kaye finds a parcel on her grandad's doorstep, she is shocked to see who sent it: a famous Egyptologist, found dead that very morning, according to every newspaper in England!

The mysterious package holds the key to a story . . . about a king whose tomb archaeologists are desperately hunting for.

Lil and her friends must embark on an incredible journey - to return the package to its resting place, to protect those they love, and to break the deadly pharaoh's curse . . .

Talk for Writing:
Non-fiction-
Recounts in the form
of newspaper
articles.

Performance
Poetry- Song of the
Witches: 'Double,
Double Toil and
Trouble' (from
Macbeth)

Michael Morpurgo
author study during
Book Week

Maths

Using White Rose to develop our fluency in maths, as well as our reasoning and problem-solving:

- Fractions
- Decimals and percentages
- Perimeter and area

Science

Forces

How do forces affect us?
We will learn about gravity, friction and water and air resistance.

Science Week

Practical science and guest speakers

History

Ancient Egyptians

What did we learn from the Egyptians?

We will learn about the significance of the Ancient Egyptians, including when the Ancient Egyptians were around, Ancient Egyptian societies, how Ancient Egyptian inventions have impacted our lives today and King Tutankhamun.

History

Art- Egyptian Masks

Exploring Ancient Egyptian art to plan and design an Egyptian Mask (3D structure and collage)

RE

Pilgrimages

We will learn about where different religions go on a pilgrimage and why these are important.

PSHCE

JIGSAW- Healthy Me

The children will be learning about smoking and alcohol and the effects of these on the human body. We will also learn about emergency first aid and will discuss body image and how to maintain a healthy diet

If you have any questions about the content covered in this unit, please do not hesitate to come and speak to me

Music

Madina Tun Nabi

Focus-
Improvisation

Computing

iEditVideo

Lessons using
iCompute-
exploring video
editing software

Spanish

¿Que Tiempo Hace? (What's The Weather Like?)

By the end of this unit pupils will have the knowledge and skills to describe the weather and present a weather forecast in the foreign language. This enables us to link the weather vocabulary with map work, compass points and general geography. This unit improves both language and cultural knowledge.

PE

Hockey- Pupils will develop their attacking and defending skills through even-sided games. They will begin to show greater control and fluency when dribbling, sending and receiving the ball, even under pressure. They will use simple tactics and work with teammates to outwit opponents.

Basketball- developing key skills and principles such as defending, attacking, throwing, catching, dribbling, and shooting.

Please remember to bring PE kit on Thursdays and Fridays
