

Spring Two Term Year 6

English

Non-fiction: this term, we will learn how to write an interesting non-chronological report about the construction of the Titanic and an exciting newspaper article, with our event being the sinking of the Titanic. We will also be writing balanced discussion texts. We will also continue with our ongoing SPAG revision and practice.

We are reading...

Sky Song by Abi Elphinstone is our class text.

World Book Day on Thursday 5th March – don't forget to dress up!

Author study: Shaun Tan

Maths

We are continuing with the White Rose Maths scheme and will cover the following topics:

- Calculating with decimals
- The relationship between fractions, decimals and percentages
- Statistics

Ongoing fluency and reasoning.

D&T

Food technology: bread buns. We will be exploring the different types of bread bun and the ingredients that they contain. We will then design our own bread bun and finish off the unit by making the bread buns to the design brief. Our making afternoon will be Monday 23rd March – parent helpers welcome!

Science
