

# Summer One: Year Two

## English

Fiction:

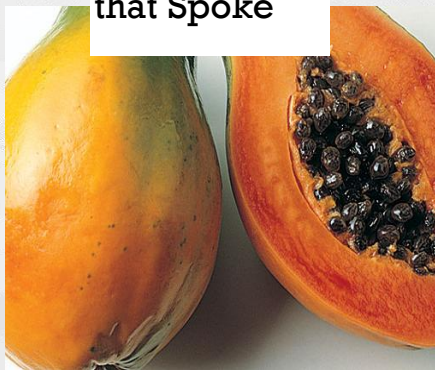

The Papaya that Spoke.

- A story with a focus on characters and dialogue.

Daily reading comprehension lessons.

Book Club – Friendships.

The Papaya that Spoke

We are reading...

## Maths

Fractions:

- Finding a half.
- Finding a quarter.
- Finding a third.

Time:

- O'clock and half past.
- Quarter past and quarter to.

## Science

Big Idea:

What is a habitat and how does it help animals survive?

Grassland

Meadow

Ocean

Desert

Rainforest

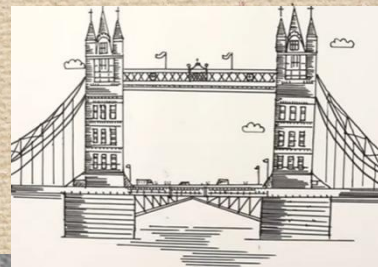

Polar

## Art

Drawing – How can we represent cityscapes?

In line with our geography unit, we will be learning how to draw cityscapes with pencils and pens.

## Geography

London: Capital City

\*Where is the UK? (focus on oceans, continents and equator, north and south pole).

\*What is the UK? (4 countries and their capitals and seas) .

\*What is London like? (human and physical features inc. weather).

\*Using a map to find a way (close to, next to, left, right).

\*Why do people visit London? (hot task).

## DT

Mechanisms: Moving Pictures

In our DT until we will be exploring mechanical systems – sliders and levers.

We will be designing, making and evaluating a London scene with moving parts, e.g. a turning London eye, a taxi that can be moved along the road.

## Forest School

We're really excited for Forest School to begin again, there's lots of outdoor fun, exploring, adventures ahead! Please make sure that your child has their waterproofs and wellies at school.

## PSHCE

Relationships:

- Families
- Friends
- Conflict
- Secrets
- Trust

## Computing

iSafe: E-Safety

- Keeping personal information safe.
- Knowing who to trust and ask for help.
- Recognising unsafe situations.

## PE

Net and wall games and Athletics

- Throwing, striking and catching
- Move and kick a ball
- Kick towards a target
