

Summer 2 Term Year 6

English

We will be studying a text called *The Arrival* to study how we can create exciting settings and develop characters and then bring them to life in our writing as an author. We will also be making sure that we are confident with using dialogue between characters. We will also study some classic poetry.

We are reading...

This half term we will begin to read *The Final Year* by Matt Goodfellow.

We will continue with our weekly Book Club to share recommended texts and reads on the theme of change.

Maths

We will study our algebra unit. This half term we will also be recapping and revising key areas of our Y6 maths programme of study through different themed projects:

- Y6 Enterprise
- a travel agency
- working in the bakery

Science

Evolution and Inheritance

- Fossil formation
- Evidence for changes in organisms over time
- The formation of offspring from parents
- Adaptation in organisms in response to different factors.

Art and DT

During our art unit this half term we will be studying the work of the artist Andy Warhol. We will then be exploring how different combinations of colour, digital creations and mixed media can be used to create our very own pop art. In DT we will be using mechanisms to design and create a working funfair!

Geography

Our Diverse World:
-drawing diagrams to represent patterns and information.
-exploring where different resources come from
-the effect of tourism on the geography of our world
-recapping the use of key geographical terminology when mapping the world.

RE

During this unit we will be covering the different celebrations and that religions use to mark the various stages of life.

We will study celebrations such as baptism and bar mitzvah.

Forest Schools

Outdoor activities focusing on art and team building.

Music

Ame Sau Vala Tara Bal – a unit that focuses on rhythm.

Computing

Our ICT this half term will consist of the unit iApp, which focuses on creating applications that can be used to generate simulations.

We will also refresh our knowledge of digital safety and being respectful online.

PSHCE

This term we will move on to our next Jigsaw unit, Changing Me. This unit explores the changes that our bodies go through as we reach puberty.

As part of our Healthy Living Week we will also be recapping the dangers of drugs and alcohol, and the effects these have on the body.

PE

Cricket and athletics will be the two sports that we focus on this half term. Our PE days will be Monday and Friday.

We will also be learning more about the benefits of keeping active during our Healthy Living Week and on our residential as well.
