

Use construction to make buildings of places you like to visit—or create a model of

Write a fact file to tell us all about you.

Take some pictures of people in your family and learn how to use the camera to do some clever tricks with the photos.

How are humans wonderful?

This is your first topic homework in Y1. This links to our humans topic (about the human body and about senses) in science. We will have a new topic homework each half term which you will need to complete. Choose at least one of these activities and then return it for our topic showcase lesson (date to be shared in the Crossdale News—weeb before October half term).

Find out about a famous artist who represents people. Can you do some art-work in that artist's style?

Bake a healthy dish. What makes it healthy?
