

Crossdale Aikido After School Club

Nov - Dec 2026 Registration Form

Dear parents / guardian and student,

We currently have a limited number of spaces available in our Aikido classes at Crossdale School for children in Year 3 and above

Aikido is an exciting traditional Japanese martial art where children learn much more than just martial arts techniques. Through fun, structured training, students develop confidence, coordination, fitness and self-discipline, while learning the importance of respect, teamwork and consideration for others.

As they progress, children can work towards belts and gradings, learn new skills and challenge themselves – building confidence and valuable skills that reach far beyond the dojo.

Interested in giving Aikido a try?

Simply complete the form at the bottom of this leaflet and contact us by phone or email using the details below. Spaces are limited and will be offered on a first come first served basis. – So don't miss your chance to begin your Aikido journey!
